

HAPPY FAMILY

From 5 to 99 years of age

From 2 to 4 players

Contents: 42 cards
7 families

A-Baker Family **B**-Gardener Family
C-Fireman Family **D**-Fishmonger Family
E-Hairdresser Family **F**-Postman Family
G-Doctor Family.

Each family consists of 6 cards: the daughter (6), the son (5), the mother (4), the father (3) the grandmother (2) and the grandfather (1).

Aim of the game: Reunite the greatest number of families.

Rules of the game: Deal 7 cards to each player.
The rest makes up the pick.
Players group together their cards by family.

The game is played clockwise.
The youngest player begins.
When it's their turn, players ask the player of their choice for a member of a family (they must have at least one card of that family).
If they get the card that they asked for, they continue to play. If they don't, they take from the stock and it's the next player's turn.
When a player has gathered 6 cards from the same family, they say "family!" and put the 6 cards in front of them. They can then immediately play again and ask for a new card.
The game is over when all the families have been reconstructed.
