

Make a shop sign!

You've got your pretend play shop ready for customers, but how will they know if you're open? With this fun door sign of course! Simply print out this page, stick it onto some card, then glue the two signs together. Then all you need is some string or ribbon to thread through the holes and it's ready to hang up!

Top tip!

You could use a plastic tapestry needle to thread through the holes or ask a grown up to punch the holes with a hole puncher or with a pencil.

Here's some we made!
